

Dear Bumblebees,

Hope you are all well! As we approach the end of the academic year, I would like to thank each and every one of you for all the warmth, the memories and the learning we have shared this school year.

You are all AMAZING! You are polite, intelligent and very kind. I would like to say a huge THANK YOU for everything that I have learnt from you. When I teach, I also learn. This past year we have grown together, even during the past few months apart. Although I will miss you all so dearly, I'm excited to see you start year 3 where you will be in good hands. Always strive to be the best that you can be. Keep doing the things you do and be positive, ambitious and most importantly have FUN next year.

I wish you all a wonderful holiday. If you do get bored, you can keep yourself busy with the Summer holiday packs, Bugclub and TTRockstars. Don't forget to enter the writing and drawing competition where you have a chance of winning a prize. All the details are on the school website.

Most importantly enjoy the summer with your family and we can't wait to see you all in September! Take care and stay safe.

Best wishes,

Mili Begum
