

Dear Caterpillars,

I hope you are all well. It has been such a wonderful yet strange journey for us this year! We have shared many wonderful memories this year and had a very enjoyable learning experience.! You have worked really hard and have made so much progress coming up from Reception. You have shown that you love to learn new and exciting things and take pride in your work. You have focused on your work, made mistakes and have learnt to keep working hard until you get it right. I am extremely proud of every single one of you!

Thank you for all the lovely memories , the learning we have shared this year and for being such a wonderful class. So it's with happy memories that I say goodbye to you all. Remember all the fun times we had this year, remember to have a lovely summer holiday but most of all remember that you are all very special! Have a fantastic holiday and good luck in year 2!

Best wishes,

Shikonder
