

Book Review

What is the title of this book?

The Winners choice

Who wrote this book?

Ana Galan

What is it about?

It's about friendship, kindness and football. First there was a football team called Broad oaks and they won a trophy and some money because they beat Willow brook another team in football. The kids can choose what to buy but it's for the school. Then the children were thinking what to buy. Then there was earthquake for a few minute. Then they saw that Willow Brooks football pitch was ruined so they spent the prize money on a new football pitch for the Willow Brook.

What is the most interesting part?

The most interesting part is that they changed their mind after the earthquake.

This book is fun to read. There is a message that is always be kind to one another and you can spend money for good cause.
