

# AYAT A HAPPINESS POEM

Happiness is...

Relaxing in the sun

Having so much fun

Playing in the park

Stars shining in the dark

Playing with toys

Having lots of joy

# MARYAM N HAPPINESS POEM

Happiness is...

Fill your heart with joy and play  
Go to your friends home and stay  
Bake a cake  
And eat it safe  
Play a game  
And use your aim

Baking makes me happy  
because I get to see my  
family enjoy my bakes  
like those cookies they  
loved them.

# NIBRAS HAPPINESS POEM

Happiness is...

Sitting in the light

When the stars are shining

People having lots joy

Having a smile in each and every girl and boy

A nice spark

A light in the dark

# SAARA B HAPPINESS POEM

I'm on my bed reading my book  
thinking should I be a cook
