

Wings by Robin Class

Adam

If I had wings, I'd sleep on the fluffy clouds!
If I had wings, I'd make tree houses high in the sky!
If I had wings, I'd fly across the mountains shouting
HELLO to the birds below!
If I had wings, I'd travel the world!
If I had wings, I'd land on the tall buildings!
If I had wings, I'd watch the hobbit like humans walk
around!

Sabiq

If I had wings, I would breath in the charm of life.
If I had wings, I would soar above the ant-like humans
attached to the Earth's crust.
If I had wings, I would swim in the refreshing air that
surrounds us.
If I had wings, I would dive in the ghost like clouds that
roam under the blue sky above.
If I had wings, I would explore the nature that the world
greet us with.

Amanah

If I had wings, I would listen deeply to the fresh raindrops.
If I had wings, I would breathe and sniff the crisp air.
If I had wings, I would take a piece of the blazing, golden
sun and eat it like boiling, spiced curry.

Anuska

If I had wings, I would tickle the toes of the clouds.
If I had wings, I would listen to the peaceful breeze.

If I had wings, I would bite a chunk of cloud as if it was cotton candy.

If I had wings, I would make a smoothie of rainbow drops.

If I had wings, I would be the angel of your life.

If I had wings, I would bite a chunk of cheese from the moon.

Nuha

If I had wings, I would go so high that I would be able to see everything.

If I had wings, I would be able to meet and see people in the plane.

If I had wings, I would go to space and touch the stars.

If I had wings, I would travel all around the world.

If I had wings, I would go and see the top of the Burj Khalifa

Ameera

If I had wings, I would fly up to the sky and touch the hot blazing sun

If I had wings, I would fly up to the sky and taste the fluffy cloud

If I had wings, I would fly up to the sky and listen to the children laughing with joy

If I had wings, I would take a breath deep and smell the scents of all the different kinds of flowers

If I had wings, I would gaze down at the people who splash in the sea on a hot summer's day.

Ines

If I had wings, I would touch and walk on the clouds.

If I had wings, I would hear the wind humming to me.

If I had wings, I would see the sharp teeth of the mountains,

If I had wings, I would feel the raindrops giving me a shower,

If I had wings, I would taste the sunlight of the sun,

If I had wings, I would smell the food the clouds were cooking.

Jannat

If I had wings, I would drink the colour and the magic of the rainbow

If I had wings, I would make the towns and villages bright
and sparkle
