

# ***Who should be the next caliph? Abu Bakr***

**Abu Bakr was loyal support of Muhammad (PBUH) and a sahabi ( companion of the Islamic prophet Muhammad). Abu Bakr was Muhammad (PBUH) 's father in law as the loyal sahabi gave permission to Muhammad (PBUH) to marry his daughter. Therefore these two men had a strong relationship together.**

**I believe Abu Bakr should be the caliph because he helped many campaigns like the Conquest of Mecca, the siege of Ta'if, and the battle of Tabuk and to help the funds.**
